Scientific Instruments, Medical Devices and Research Equipment Design Competition Silver A' Design Award Victor

A' Design Award and Competition is delighted to share that the design Tera Oral by Ela Pincu has been acknowledged with the notable Silver A' Design Award at Scientific Instruments, Medical Devices and Research Equipment Design Competition picked as one of the winners by the transnational judging committee of the A' Design Awards & Competitions within thousands of submitted projects.

More information on Tera Oral

Ela Pincu, the designer of the awarded work Tera Oral demonstrates "Tera Oral™ is a fully automated, professional Teeth whitening device which dynamically deliver high volumes of fully hydrated hydrogen peroxide gel that bathes both buccal, lingual and occlusal enamel surfaces of the upper and lower teeth. Tera Oral™ does not cause dehydration of the dentinal tubules and the post op pain associated with dehydration. The device uses an Easy to use, intuitive interface which enables effective treatment by both practitioners and clinical staff." The Silver A' Design Award

The Silver A' Design Award is a prestigious award given to top 5% percentile designs that exhibits an exemplary level of greatness in design. Entries to the A' Medical Product Design Awards are peer reviewed and anonymously judged by a grand expert jury panel of prominent academics, influential press members and experienced professionals. Nominated medical product designs are voted on pre determined evaluation criteria to highlight only the top medical product design works. In addition to reaching top international media, A' Medical Product Design Award winners are listed at World Design Rankings (worlddesignrankings.com), are highlighted at Design Classification (designclassifications.com) platform and are showcased at DesignMag.org which lists the best designs from all countries in all disciplines.

About A' Medical Product Design Awards

A' Medical Product Design Award aims to highlight the excellent qualifications of best medical product designs and greatest medical product design concepts worldwide. The A' Design Accolades are organized and awarded annually and internationally in multiple categories to reach a wide, design oriented audience. The ultimate aim of the A' medical product Design Competition is to create a global awareness for good design.
